

ENGINEER'S IMPROVEMENT STATEMENT

I, _____ R.C.E. _____
hereby state that I have inspected the improvement required for the approval of _
_____ and shown on the improvement plans thereof prepared by
_____ and approved _____, 20____, and that said
improvements were constructed at the horizontal and vertical alignment and in substantial
conformance with those plans and the standard improvement specifications of the County
of San Luis Obispo or with those approved changes shown on the record drawings
prepared by me and dated _____, 20____. I have taken, or
have had provided to me by other qualified engineers, sufficient quality control tests to
assure that the specifications have been met. Copies of inspection logs, record drawings
and appropriate quality control tests are attached.
